CAPITAL & REGIONAL PLC

Notice of Annual General Meeting 2024

9 May 2024

Dear Shareholder,

INTRODUCTION

I am writing to you with details of the 2024 Annual General Meeting of Capital & Regional plc (the “**Company**”), to be held at 10:00 a.m. (UK Time) / 11:00 a.m. (SA Time) on Monday 3 June 2024 at Deutsche Numis, 45 Gresham Street, London, EC2V 7BF (the “**AGM**”). The formal notice of the AGM (the “**Notice**”) is set out on pages 5 to 8 of this document.

SHAREHOLDER QUESTIONS

Shareholders may submit questions to the board of directors (the “**Board**”) prior to the AGM by emailing the Company Secretary at capinfo@capreg.com with the subject line “2024 AGM”. We recommend that you submit your questions as soon as possible and before 5:00 p.m. (UK Time) / 6:00 pm (SA Time) on 30 May 2024 to enable us to respond to all questions before the deadline for submitting Proxy Forms. Shareholders, proxy holders and corporate representatives in attendance at the AGM will still be eligible to ask questions of the Board.

VOTING

Should shareholders not be able to attend in person and cast their vote at the AGM, we strongly encourage shareholders to complete the Proxy Form enclosed with this document and return it to the Company’s Registrars, Equiniti (for shareholders on the UK Register) and JSE Investor Services (for shareholders on the South African Register) as soon as possible and, in any event, by no later than 10:00 a.m. (UK Time) / 11:00 a.m. (SA Time) on 30 May 2024. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST manual and in accordance with the instructions set out in the notes to this Notice. Institutional investors may also be able to appoint a proxy electronically via the Proximity platform. For more information on appointing a proxy, please refer to the notes on the Proxy Form. Submitting a Proxy Form will ensure that a member’s vote is recorded but does not prevent a member from participating and voting at the AGM in person.

The Board has also decided that, as has been the case at previous AGMs, voting on all resolutions at the AGM will be on a poll as this will ensure that all votes of shareholders will be counted, whether or not shareholders attend the AGM. On a poll, each shareholder has one vote for every ordinary share held. The results of the poll will be announced shortly after the AGM through a Regulatory Information Service and published on the Company’s website at www.capreg.com/investor-info/regulatory-announcements.

BUSINESS TO BE TRANSACTED AT THE AGM

Details of the resolutions to be proposed at the AGM are set out below. Resolutions 1 to 14 are proposed as ordinary resolutions. This means that for each of these resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 15 to 18 are proposed as special resolutions. This means that for each of these resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Ordinary Resolutions

Resolution 1 – Reports and Accounts

The directors of the Company are required by the Companies Act 2006 to present to the meeting the Company’s audited annual accounts and the directors’ reports and auditor’s report for the financial year ended 30 December 2023 (the “**2023 Annual Report**”) for adoption by shareholders. The directors’ reports and auditors’ reports are set out on pages 161 to 174 of the 2023 Annual Report.

Resolution 2 – Final Dividend

This resolution seeks shareholder approval for the declaration of a final dividend for the financial year ended 30 December 2023. The directors of the Company are recommending a final dividend of 2.95 pence per ordinary share. An interim dividend of 2.75 pence per ordinary share was paid on 22 September 2023 making a total dividend for the year of 5.70 pence per ordinary share. If approved, the final dividend will be paid on 7 June 2024 to those shareholders whose names appeared on the register of members at close of business on 12 April 2024.

Resolution 3 – 2023 Directors’ Remuneration Report

The Company’s shareholders will be asked at the AGM to approve the Directors’ Remuneration Report for the financial year ended 30 December 2023. The Directors’ Remuneration Report is set out on pages 151 to 160 of the 2023 Annual Report.

The Directors’ Remuneration Report for the financial year ended 30 December 2023 describes the remuneration arrangements in place for each Executive Director and Non-Executive Director during the financial year ended 30 December 2023. The vote on the Directors’ Remuneration Report is advisory in nature and the directors’ entitlement to remuneration is not conditional on it.

Resolutions 4 and 5 – Appointment and remuneration of Auditors

The Company must appoint auditors at each general meeting to hold office until the conclusion of the next such meeting. Resolution 4 seeks shareholder approval to re-appoint Mazars LLP as the Company's auditor. In accordance with normal practice, Resolution 5 seeks shareholder authority for the Company's directors to determine the auditors' remuneration for the next financial year.

Resolutions 6 to 13 – Re-election and appointment of Directors

In accordance with the requirements of the UK Corporate Governance Code 2018, all of the directors of the Company will retire and offer themselves for re-election by shareholders at the AGM with the exception of Ian Krieger who will step down having served more than nine years as an independent non-executive director. As announced on 8 May 2024 Lawrence Hutchings has resigned from his role as Chief Executive of the Company to take up a new business opportunity. Lawrence will still stand for re-election as he is subject to a 12 month notice period and the Company will provide a further update on the timing of his departure in due course.

Under the Listing Rules, a dual voting structure applies to the election or re-election by shareholders of any independent non-executive director of a company where the company has a controlling shareholder. The Company is required to comply with these provisions as a result of its shareholder, Growthpoint Properties Limited ("**Growthpoint**"), controlling more than 30% of the voting rights of the Company. As a result, the re-election of David Hunter (Chairman), Katie Wadey and Laura Whyte, and election of Gerry Murphy, as independent non-executive directors by shareholders must be approved by a majority vote of both: (i) the shareholders of the Company and (ii) the independent shareholders of the Company (that is, shareholders of the Company excluding Growthpoint). Therefore, Resolutions 6, 9, 10 and 13 will be proposed as ordinary resolutions which all shareholders may vote on, but in addition the Company will separately count the number of votes cast by independent shareholders in favour of each of these resolutions (as a proportion of the total votes of the independent shareholders cast on the resolution) to determine whether the second threshold referred to in (ii) above has been met. The Company will announce the results of these resolutions on this basis, as well as announcing the results of the ordinary resolutions of all shareholders shortly after the AGM through a Regulatory Information Service and published on the Company's website at www.capreg.com/investor-info/regulatory-announcements.

Under the Listing Rules, if a resolution to elect or re-elect an independent non-executive director is not approved by a majority vote of both the shareholders as a whole and the independent shareholders of the Company at the AGM, a further resolution may be put forward to be approved by the shareholders as a whole at a meeting which must be held more than 90 days after the date of the first vote but within 120 days of the first vote. Accordingly, if any of the Resolutions 6, 9, 10 and 13 are not approved by a majority vote of the Company's independent shareholders at the AGM, the relevant director(s) will be treated as having been elected or re-elected only for the period from the date of the AGM until the earlier of: (i) the close of any general meeting of the Company, convened for a date more than 90 days after the AGM but within 120 days of the AGM, to propose a further resolution to elect or re-elect the director(s); (ii) the date which is 120 days after the AGM; and (iii) the date of any announcement by the Board that it does not intend to hold such a second vote. In the event that the director(s) election or re-election is approved by a majority vote of all shareholders at a second meeting, the director(s) will then be elected or re-elected until the annual general meeting to be held in 2025.

The Company is also required to provide details of: (i) any existing or previous relationship, transaction or arrangement between an independent non-executive director and the Company, its directors, any controlling shareholder or any associate of a controlling shareholder; (ii) why the Company considers the proposed independent non-executive director will be an effective director; (iii) how the Company has determined that the proposed director is an independent non-executive director and (iv) the process followed by the Company for the selection of each independent non-executive director. This is set out below:

Existing/Previous Relationships: The Company has received confirmation from each of the independent non-executive directors that there is no existing or previous relationship, transaction or arrangement between the independent non-executive director and the Company, its directors, any controlling shareholder or any associate of a controlling shareholder.

Effectiveness: The directors' biographies can be found on pages 123 to 124 of the 2023 Annual Report and on the Company's website at www.capreg.com/about-us/people. The biographical details also set out each independent non-executive director's experience. The Board is satisfied that each of the directors standing for election or re-election continues to perform effectively and demonstrates commitment to his or her role.

Independence: The Board has considered whether each of the independent non-executive directors is free from any relationship that could materially interfere with the exercise of his or her independent judgement and has determined that each independent non-executive director possesses the requisite skills and experience, and each is still to be considered to be independent.

Selection: For each current independent non-executive director's selection, the Nominations Committee was responsible in each case for identifying and nominating, for the approval of the Board, suitable candidates to fill Board vacancies.

Norbert Sasse and Panico Theocharides are representatives of Growthpoint, a significant shareholder of the Company.

There are no further matters to be disclosed pursuant to Listing Rule 9.6.13.

Resolution 14 – Authority to Allot

Paragraph (i) of Resolution 14, if passed, would give the directors the authority to allot shares in the Company and grant rights to subscribe for or convert any security into shares in the Company under section 551 of the Companies Act 2006 up to an aggregate nominal amount of £7,496,891. This represents approximately one-third of the whole of the issued ordinary share capital of the Company, exclusive of any treasury shares, as at the close of business on 1 May 2024 (being the latest practicable date prior to the publication of this document). In accordance with institutional investor guidelines, paragraph (ii) of Resolution 14 will also give the directors authority to allot further shares in the Company, in connection with a rights issue, open offer or other pre-emptive offer, up to an aggregate nominal amount of £7,496,891, representing a further one-third of the whole of the issued ordinary share capital of the Company, exclusive of any treasury shares, as at the close of business on 1 May 2024 (being the latest practicable date prior to the publication of this document). As paragraph (i) imposes no restrictions on the way that the authority may be exercised, it could be used in conjunction with paragraph (ii) so as to enable the whole two-thirds authority to be used in connection with a rights issue, open offer or other pre-emptive offer.

If passed, the authority sought under Resolution 14 will expire on the conclusion of the Company's next annual general meeting or 15 months from the passing of this Resolution 14, whichever is the earlier.

No shares are held in treasury by the Company as at the date of this document.

Special Resolutions

Resolutions 15 and 16 – Statutory Pre-emption Rights

Pursuant to the authority granted under Resolution 14, if passed, Resolutions 15 and 16 will give the directors authority to allot shares in the capital of the Company for cash in certain circumstances without complying with the pre-emption rights provisions pursuant to section 561 of the Companies Act 2006. It is usual practice for the Company to seek a renewal of this authority to disapply pre-emption rights on an annual basis and the authorities granted at the annual general meeting in 2023 are due to expire at the 2024 AGM.

Resolutions 15 and 16 are being proposed as special resolutions to grant authority to permit the disapplication of pre-emption rights in certain circumstances. This disapplication authority is in accordance with the Pre-emption Group's Statement of Principles (the "Pre-emption Principles") which were updated in November 2022 to allow companies to seek authority to issue non-pre-emptively for cash equity securities representing:

1. no more than 10% of issued ordinary share capital whether or not in connection with an acquisition or specified capital investment (a general disapplication); and
2. no more than an additional 10% of issued ordinary share capital, provided that it is intended to be used only in connection with the financing (or refinancing, if the authority is to be used within 12 months after the original transaction) of an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding 12 month period and is disclosed in the announcement of the issue.

Resolutions 15 and 16, will give the directors authority to allot shares in the capital of the Company (pursuant to the authority granted under Resolution 14) for cash and/or sell shares held by the Company as treasury shares (if any are so held) for cash without offering them first to existing shareholders in proportion to their current holdings, in certain circumstances up to a maximum of 20% of the Company's issued share capital.

The authority conferred by Resolution 15 will permit the Directors to allot:

- (i) shares in connection with a rights issue, open offer or other pre-emptive offer that generally provides existing shareholders with the opportunity to subscribe for new shares pro rata to their existing holdings; and
- (ii) shares up to a maximum nominal value of £2,249,067 approximately 10% of the issued ordinary share capital of the Company, as at 1 May 2024 (being the latest practicable date prior to the publication of this document), otherwise than in connection with a pre-emptive offer to existing shareholders the proceeds of which issuance of equity securities may be used for any purpose the directors consider is in the best interests of the Company and its shareholders.

The authority conferred by Resolution 16 will permit the Directors to allot additional shares up to a maximum nominal value of £2,249,067 representing approximately a further 10% of the issued ordinary share capital of the Company, as at 1 May 2024 (being the latest practicable date prior to the publication of this document), otherwise than in connection with a pre-emptive offer to existing shareholders, the proceeds of which issuance of shares may be used only in connection with an acquisition or specified capital investment, as contemplated by the Pre-emption Principles described above. The directors believe that it is appropriate to seek this additional 10% authority in Resolution 16 to give the Company the flexibility that this resolution affords.

The Board confirms that: (i) it intends to use the authority given in Resolution 15 for any purpose that it considers is in the best interests of the Company and shareholders; and (ii) it intends to use the authority given in Resolution 16 only in connection with an acquisition or specified capital investment, and that it will not use such authority without prior consultation with significant shareholders. If the Directors were to make a non-pre-emptive issue of ordinary shares for cash using the authority conferred by Resolutions 15 and 16 above, the Directors confirm that the Company will comply with the shareholder protections contained in Part 2B of the Pre-emption Principles regarding how such issue should be carried out.

The authorities contained in Resolutions 15 and 16 will expire at the same time as the expiry of the authority to allot shares conferred in Resolution 14 (that is at the end of the next annual general meeting of the Company or 15 months from the passing of Resolutions 15 and 16, whichever is the earlier).

Resolution 17 – Authority for Market purchases of own Shares

Resolution 17 renews the Company's current authority to make limited market purchases of the Company's ordinary shares. The authority is limited to a maximum aggregate number of 22,490,673 ordinary shares, representing 10% of the issued ordinary share capital of the Company, as at 1 May 2024 (being the latest practicable date prior to the publication of this document), and sets out the minimum and maximum prices that can be paid, exclusive of expenses. The authority conferred by this resolution will expire at the conclusion of the Company's next annual general meeting or 15 months from the passing of this resolution, whichever is the earlier. Any purchases of ordinary shares would be made by means of market purchase through the London Stock Exchange.

The Company may retain any ordinary shares it purchases as treasury shares with a view to possibly reissue such shares at a future date or may cancel the ordinary shares. If the Company were to purchase any of its own ordinary shares, it would consider cancelling them pursuant to the authority conferred by this Resolution 17. The Company has options and awards outstanding over 3,894,070 ordinary shares representing 1.73 per cent. of the Company's ordinary issued share capital (excluding treasury shares), as at 1 May 2024 (being the latest practicable date prior to the publication of this document). If the full authority being sought to buy back shares is utilised and the repurchased shares are cancelled, outstanding options and awards would represent approximately 1.92 per cent. of the Company's issued ordinary share capital (excluding treasury shares).

If passed, the directors have no present intention of exercising the authority to purchase the Company's ordinary shares. The directors would only exercise such authority to purchase ordinary shares in the market if, in their opinion, the expected effect would be to result in an increase in earnings per ordinary share or net asset value and would benefit shareholders as a whole. The directors will also give careful consideration to gearing levels of the Company and its general financial position.

Resolution 18 – Notice period of General Meetings

Under the provisions of the Companies Act 2006, the notice period required for all general meetings of listed companies is at least 21 clear days unless shareholders approve a shorter notice period for the holding of general meetings on not less than 14 clear days for general meetings, other than annual general meetings. Resolution 18 seeks to obtain shareholder approval to allow the Company to call general meetings (other than annual general meetings) on not less than 14 clear days' notice. If granted, the authority will be valid until the conclusion of the Company's next annual general meeting, when it is intended that a similar resolution will be proposed. All annual general meetings will continue to be held on at least 21 clear days' notice.

The Company will give as much notice as practicable when convening a general meeting. The shorter notice period will not be used as a matter of routine for such meetings and will only be used where the Company considers the flexibility is merited by the business of the meeting and is thought to be in the interests of shareholders as a whole.

DOCUMENTS FOR INSPECTION

The following documentation, which is available for inspection during business hours at the registered office of the Company on any weekday (public holidays excluded) from the date of this Notice until the close of the AGM, will also be available for inspection at the place of the AGM for at least 15 minutes prior to the time fixed for the AGM until its conclusion:

- (i) copies of the service contracts of the Executive Directors of the Company;
- (ii) copies of the letters of appointment of the Non-Executive Directors of the Company;
- (iii) the existing Articles of Association (these are also available for inspection on the Company' website at www.capreg.com/about-us/.)

ACTION TO BE TAKEN

You will find enclosed with this document a Proxy Form for use in connection with the AGM. You are strongly encouraged to complete and return it to the Company's Registrars, Equiniti (for shareholders on the UK Register) and JSE Investor Services (for shareholders on the South African Register) as soon as possible and, in any event, by no later than 10:00 a.m. (UK Time) / 11:00 a.m. (SA Time) on 30 May 2024. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST manual and in accordance with the instructions set out in the notes to this Notice. Institutional investors may also be able to appoint a proxy electronically via the Proxymity platform. Completion and return of a Proxy Form or the appointment of a proxy or proxies through the CREST electronic proxy appointment service or the appointment of a proxy electronically via the Proxymity platform will not preclude a shareholder from attending and voting at the AGM, should a shareholder wish to do so.

RECOMMENDATION

The Board considers that all of the resolutions in this Notice to be proposed at the AGM are in the best interests of the Company and its shareholders as a whole. Accordingly, the directors unanimously recommend that shareholders vote in favour of all of the resolutions, as, where relevant, the directors intend to do in respect of their own beneficial holdings.

By order of the Board

Notes for the AGM

1. Shareholders are entitled to appoint another person as a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the AGM. A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different ordinary share or ordinary shares held by that shareholder. A proxy need not be a shareholder of the Company. A Proxy Form which may be used to make such appointment and give proxy instructions accompanies this Notice. If you do not have a Proxy Form and believe that you should have one, or if you require additional forms, please contact the Company at capinfo@capreg.com. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first named being the most senior). A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the AGM.
2. To be valid, any Proxy Form or other instrument appointing a proxy must be returned by one of the following methods:
 - in hard copy form by post, by courier or by hand to the appropriate Company registrar; in the case of members on the Company's UK Register, to Equiniti at Aspect House, Spencer Road, Lancing BN99 6DA, United Kingdom and, in the case of members on the Company's South African Register, to JSE Investor Services (Proprietary) Limited, One Exchange Square, 2 Gwen Lane, Sandown, Sandton, 2196; or
 - by email for members on the Company's UK Register to proxyvotes@equiniti.com and for members on the Company's South African Register to meetfax@jseinvestorservices.co.za; or
 - in the case of CREST members, by utilising the procedure set out below under paragraphs 9-11; or
 - institutional investors may also be able to appoint a proxy electronically via the Proximity platform by using the procedure set out below under paragraph 13; or
 - in the case of dematerialised shareholders on the Company's South African Register holding their shares through a CSDP or broker, by providing their voting instruction to the CSDP or broker (as applicable).

Dematerialised shareholders on the Company's South African Register holding their shares through a CSDP or broker must advise their CSDP or broker if they wish to attend the AGM or send a proxy to represent them at the AGM. Their CSDP or broker will issue them with the necessary letter of representation to attend or be represented at the AGM. If they do not wish to attend the AGM, but wish to cast their votes, they should provide their CSDP or broker with their voting instructions. In the absence of such instructions, their CSDP or broker will be obliged to vote in accordance with the instructions contained in the custody agreement mandate between them and their CSDP or broker.

3. To be valid, Proxy Forms must be received no later than 48 hours before the time of the AGM or, if the AGM is adjourned, 48 hours before the time fixed for the adjourned meeting. Where shares are held by a CSDP or broker, voting instructions must be provided in sufficient time to permit the CSDP or broker to advise the registrar no later than 11.00 a.m. (SA Time) on 30 May 2024, or 48 hours before the time of the AGM in the event of an adjournment.
4. The return of a completed Proxy Form, other such instrument or any CREST Proxy Instruction (as described in paragraph 10 below) will not prevent a shareholder attending the AGM and voting in person if he/she wishes to do so. If you return more than one proxy appointment, either by paper or electronic communication, the appointment received last by the Company's UK Registrar and the Company's South African Registrar before the latest time for the respective receipt of proxies will take precedence.
5. Any person to whom this Notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a "**Nominated Person**") may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
6. The statement of the rights of shareholders in relation to the appointment of proxies in paragraphs 1 and 2 above does not apply to the Nominated Persons. The rights described in such paragraphs can only be exercised by shareholders of the Company.
7. To be entitled to attend, speak and vote at the AGM (and for the purpose of the determination by the Company of the votes they may cast), London Stock Exchange (LSE) shareholders must be registered in the Register of Members of the Company at 6.30 p.m. (UK Time) on 30 May 2024 (or, in the event of any adjournment, you must be entered on the register at 6.30 p.m. on the date which is two business days before the date of the adjourned meeting). Johannesburg Stock Exchange (JSE) shareholders must be registered on the Company's JSE register of members at 7.00 p.m. (SA Time) on 30 May 2024 or, if the meeting is adjourned, you must be entered on the register at 7.00 p.m. (SA Time) on the date which is two business days prior to the date of any adjourned meeting. Changes to the Register of Members after the relevant deadlines shall be disregarded in determining the rights of any person to attend and vote at the meeting.

On a show of hands, every member who is entitled to vote and is present in person or by proxy has one vote and, on a poll, every member who is present in person or by a proxy has one vote for every ordinary share held by him/her.

8. As at 1 May 2024 (being the last practicable date prior to the publication of this document) the Company's issued share capital consists of 224,906,731 ordinary shares of £0.10 each, carrying one vote each. The Company holds no shares in treasury. Therefore, the total voting rights in the Company as at 1 May 2024 are 224,906,731.
9. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
10. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (which can be viewed at www.euroclear.com). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by 10.00 a.m. (UK Time) on 30 May 2024. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

11. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
12. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertified Securities Regulations 2001.
13. If you are an institutional investor you may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 10.00 a.m. (UK Time) on 30 May 2024 in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy.
14. Any corporation which is a shareholder can appoint one or more corporate representatives who may exercise, on its behalf, all of its powers as a shareholder provided that no more than one corporate representative exercises powers over the same share.
15. Under section 527 of the Companies Act 2006, shareholders meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on a website.
16. In accordance with section 311A of the Companies Act 2006, a copy of this Notice, details of the total number of shares in respect of which members are entitled to exercise voting rights at the AGM and, if applicable, any members' statements, members' resolutions or members' matters of business received by the Company after the date of this Notice can be found on the Company's website www.capreg.com.
17. Shareholders may not use any electronic address provided either in this notice of meeting or any related documents (including the Proxy Form) to communicate with the Company for any purposes other than those expressly stated.
18. The following documents will be available for inspection at the venue of the AGM for at least 15 minutes prior to the time fixed for the AGM until the end of the AGM: (i) copies of the service contracts of the Executive Directors of the Company; (ii) copies of the letters of appointment of the Non-Executive Directors of the Company; (iii) the existing Articles of Association.
